

WHAT WE ARE DOING TO KEEP YOU SAFE

- Installed barriers at check-in and check-out, and on exam room and optical equipment whenever possible.
- Staff are trained to self-screen daily for symptoms of COVID-19, including fever, and are required to stay home if sick.
- Continuing to disinfect surfaces routinely throughout the day, including after direct contact.
- Many team members are pursuing COVID-19 vaccination,

WHAT TO EXPECT WHEN YOU COME TO OUR OFFICE

- In order to enter our clinics you must have an appointment.
- In order to enter our clinics you must wear a mask.
- Please announce your arrival for your appointment by texting the clinic or knocking on the door. You may be asked to wait in your car until your appointment time.
- To help us comply with social distancing guidelines, family members may not be permitted entry.
- All patients will be screened for COVID-19 in order to enter our clinics, including taking a temperature.
- We are following State of Maine travel restrictions. You may not be able enter our clinics if you have traveled out of Maine recently. Please call our office to discuss beforehand.
